Converged Solutions and Services Signs Reseller Agreement with Interactive Intelligence to Offer IP Business Communications Software

Interactive Intelligence Software To Help Converged Solutions and Services Customers Increase Revenue Opportunities, Improve Operational Efficiencies, Reduce Costs, And Ensure Investment Protection

DELRAY BEACH, FL — October 30, 2008 — Converged Solutions and Services has signed an agreement allowing it to market, sell and support Interactive Intelligence IP business communications software.

“The Interactive Intelligence software’s unique open, single-platform architecture will help our customers increase revenue opportunities, improve operational efficiencies, reduce costs, and ensure investment protection,” said Mr. Mark R. Kruger, chief technology officer of Converged Solutions and Services.

“Converged Solutions and Services is a fantastic new asset to our 250-plus global channel network,” said Interactive Intelligence vice president of worldwide sales, Gary Blough. Their expertise in VoIP is extremely impressive and they strive to exceed their customer expectations on a daily basis.”

Interactive Intelligence first released its all-in-one IP communications software suite in 1997. The standards-based, single-platform architecture with built-in

multi-channel processing was designed to eliminate the cost and complexity introduced by “multi-point” vendors.

The software suite includes applications for the contact center and enterprise, including SIP-based switching, automatic call distribution, interactive voice response, multimedia recording, blended dialing, Web self-service, knowledge management, unified messaging, conferencing, fax services, speech-enabled unified communications for mobile workers, and more.
